Re: Puget Sound Energy's Petition to Amend Order 01 – Docket UE-231031

Dear Director Killip,

On June 12, Puget Sound Energy (PSE) filed its Petition to Amend Order 01 in Docket UE-231031, issued on February 23, 2024, wherein PSE requested that the Washington Utilities and Transportation Commission (Commission) amend Order 01 to remove Conditions 1 and 2 in paragraph 17. Pursuant to WAC 480-07-870(3), any party in the original proceeding may file a response to the petition within twenty days after the petitioner serves the petition unless the Commission establishes a different deadline by notice. Over three months have passed since PSE's Petition filing and no other party submitted response to the petition.

A timely decision in this matter is now a necessity. Conditions 1 and 2 in paragraph 17 of Order 01 impose a deadline of December 31, 2024. PSE must receive a decision in this matter in order to ensure timely completion of these conditions in the event that the Commission does not approve PSE's petition in this matter. To that end, PSE is filing this letter to respectfully request that the Commission place Docket UE-231031 and this petition on the agenda for the September 26, 2024 Open Meeting.

If you have questions about this filing, please contact Kelima Yakupova, State and Regional Policy Consultant, at 425-462-3588 or kelima.yakupova@pse.com. If you have any other questions, please contact me at 425-462-3051.

Sincerely,
