Subject: Qwest restructuring application (UT-010956)

Theresa,

Staff has asked that Docket UT-010956 (Qwest Communications Corporation and certain of its subsidiaries and affiliates restructuring application) be closed. Given that all of the companies in question have been competitively classified, Staff is satisfied that the requirements of chapter 80.12 RCW and WAC 480-143-120 have been met.

Please give me a call if you have any questions.
