Subject: Pacific Power & Light Motion for Clarification - Docket UE-100749
Importance: High

Counsel,

The Commission is prepared to rule on the motion Pacific Power filed yesterday seeking clarification or reconsideration of the rationale underlying the decision in Order 16, but please notify me as soon as possible (and no later than the end of the day today) if you want to file a response. Any such response would need to be filed by the end of the day tomorrow, and I will issue a notice to that effect if any party seeks such an opportunity.
