Re: Docket No. UT-093035 – Email Regarding Response to NCC’s Motion to  
Compel

Dear Mr. Danner:

On June 16, 2010 Qwest submitted an email response regarding NCC’s Motion to Compel. As stated in that email, Qwest is providing a hard copy to the Records Center for filing. The text of the email is set forth below.

Qwest opposes NCC’s motion to compel, opposes NCC’s request for a continuance or for leave to file supplemental testimony, and notes that NCC has failed to comply with WAC 480-07-425(1), which requires parties to attempt to informally resolve discovery disputes prior to bringing the dispute to the Commission. Qwest will file this response with the records center in hard copy on June 17, 2010, and will respond to the motion to compel within five (5) business day, or as otherwise ordered by the Administrative Law Judge.

Thank you.

The electronic copy is being provided by e-mail.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lisa A. Anderl".
