Re: Rainier View Water Company, Inc. - Docket No. UW-110054 -
Request for Extension of Time.

Dear Mr. Danner:

In Order 05 in the above referenced docket, the Commission directed that the parties respond within ten days of service of the Order stating how they wish to proceed. See paragraph 71. The purpose of this letter is to request an extension of the time for all parties to respond to November 9, 2012. This request includes a request that all options discussed in Order 05 or available by rule (such as reconsideration or clarification) remain open until November 9, 2012.

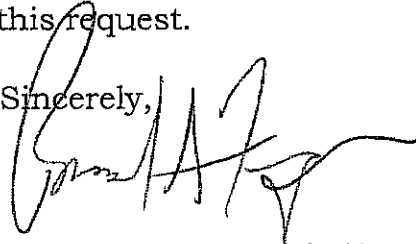

The reason for this request is that one of the key personnel for Rainier View is unavailable for the next two weeks and the ramifications of the Commission's Order 05 require serious consideration and joint discussion with Staff that requires the involvement of this person.

Commission Staff does not oppose this extension of time.
