**Re: Supplemental Filing of PSE Service Quality Program and Electric Service Reliability
Annual Filing and Penalty Mitigation Petition
Docket Nos. UE-072300 and UG-072301**

Dear Mr. King:

As requested by the Commission on April 23, 2014, Puget Sound Energy, Inc. ("PSE") provides an original and twelve copies of the PSE's Penalty Mitigation Petition ("Petition") that was originally submitted in PSE's March 28th Service Quality Program and Electric Service Reliability Filing annual filing ("Filing"). The Petition was included as part of Appendix C to Attachment A of the Filing, PSE's 2013 Annual Puget Sound Energy SQI and Electric Service Reliability Report, pages 105 through 118. The Petition explains the unusual and exceptional circumstances and PSE's preparation and mitigation actions to lessen the adverse effects of the new CIS implementation.

PSE respectfully pleads with the Commission to make an expedited determination of the Petition to allow PSE to print and distribute the customer notice by June 26, 2014, to meet the Service Quality Program customer notice requirement.

Please contact Mei Cass at (425) 462-3800 or mei.cass@pse.com for additional information about this filing. If you have any other questions, please contact me at (425) 456-2110.

Sincerely,

Ken Johnson
