[13] The preliminary engineering and planning costs are included in the caged and cageless space construction charges. These engineering and planning charges are also included in the caged and cageless quote preparation fees. Upon completion of the collocation construction, the quote preparation fee (QPF) will be credited to the final space construction charge for the collocation job. The credit will apply to whichever QPF is applied. This exhibit currently lists multiple QPFs based on what has been proposed on the cost docket and what was approved in the AT&T interconnection agreement. CLEC may choose either QPF at this time.		
[14] Loop Conditioning charges (Cable Unloading/Bridge Tap Removal) will not apply through 11/30/03
