Re: Docket Nos. UT-003022 and UT-003040 – QPAP

Dear Ms. Washburn:

Qwest is writing to request a change in the "compliance filing" requirement. Currently, Qwest is scheduled to file an SGAT on April 19 that complies with the Workshop 3 and 4 order on reconsideration, and the QPAP final order. Qwest would like to postpone the QPAP compliance filing until after the order on reconsideration of those issues. Qwest filed its petition for reconsideration on April 15, 2002, and asked for reconsideration of a number of issues. Under the circumstances, it seems more efficient to await the decision on reconsideration before making a compliance filing. Qwest proposes that a schedule for that filing could be established in the order on reconsideration, and the compliance issues addressed at the next available hearings.

Sincerely,

Lisa A. Anderl
