RE: *Washington Utilities and Transportation Commission v. Cascade Natural Gas Corporation*, Docket UG-210755

On September 30, 2021, Cascade Natural Gas Corporation (Cascade or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-3 for natural gas service the Company provides in Washington. The effect of these filings would increase rates and charges for natural gas service. The Commission suspended the as-filed tariffs in Order 01 on October 13, 2021. In Order 03, the Commission established a procedural schedule including a hearing set for June 1-2, 2022, at 9 a.m.

On February 18, 2022, counsel for Staff contacted the presiding officer via email indicating that the Parties had reached a full multiparty settlement in principle. Staff requested that the Commission suspend the procedural schedule and convene a status conference to set a new procedural schedule to accommodate the settlement.

The Commission finds good cause to suspend the procedural schedule pending the Commission's review of the Parties' settlement and to schedule a status conference at 9:30 a.m. on March 3, 2022. To participate by phone, please call (253) 215-8272 and enter the Meeting ID: 923 4954 8726# and Passcode: 481926#. **THE COMMISSION GIVES NOTICE That the procedural schedule in Docket UG-210755 is suspended until further notice.**

**THE COMMISSION GIVES FURTHER NOTICE That it will hold a status conference on March 3, 2022, at 9:30 a.m.**
