Re: *Application for Kleen Environmental Technologies, Inc.*  
*GA 079254*

Dear Ms. Washburn:

Enclosed please find a Restrictive Amendment of Application in the above referenced matter. This amendment precludes any need for a consolidated hearing with the yet to be docketed application of Rubatino Refuse Removal, Inc. (G-58), which is seeking additional authority within only that territory to be excluded by this amendment from the application of Kleen Environmental Technologies, Inc. With this amendment, it is requested that the pre hearing conference for the contemporaneous applications of GA 079254 (Kleen Environmental Technologies, Inc.) and GA 079251 (Harold LeMay Enterprises, et al) be set as soon as possible without inclusion of the application of Rubatino Refuse Removal, Inc.

Sincerely,

Greg W. Haffner
