**SERVICE EXHIBIT E1
REQWEST SeLECT VIRTUAL CARRIER SERVICE
WHOLESALE SERVICE AGREEMENT**

Qwest will provide ReQwest SeLECT Virtual Carrier Service ("ReQwest VCS") and several other services (such other services, collectively, "Other Services") pursuant to the terms and conditions of the Agreement and this Exhibit E1. Except as set forth in this Exhibit E1, capitalized terms shall have the definitions assigned to them in the Agreement.

1. REQWEST VIRTUAL CARRIER SERVICES.

1.1 (a) ReQwest VCS is a network routing service whereby the Customer's Carrier Identification Code ("CIC") is loaded in each Customer-designated Local Exchange Carrier ("LEC") tandem(s)/end office(s), so that all usage associated with Customer's CIC is routed by such tandem(s)/end office(s) to the Qwest network. ReQwest VCS includes all procedures for (1) ordering, provisioning and testing the CIC load into the LEC tandem(s)/end office(s) and (2) loading End User ANIs into Qwest's on-line order entry system.

1.1 (b) ReQwest VCS requires that Customer have a CIC.

1.1 (c) ReQwest VCS is available only where Qwest has Feature Group D originating facilities and where the applicable LEC offers the features that are necessary for Sub-CIC Access Services. Qwest has no obligation to add to or change any of its facilities to provide the ReQwest VCS to Customer.

2. OTHER SERVICES.

Qwest shall provide the following Other Services with ReQwest VCS.

2.1 (a) ReQwest SeLECT Outbound Voice Service ("ReQwest SeLECT 1+ Service"). ReQwest SeLECT 1+ Service (switched-to-switched) provides end-to-end domestic call termination to the U.S., Puerto Rico, the U.S. Virgin Islands and the extended-U.S. locations listed in Exhibit E2 (collectively, "Domestic"). Traffic originates from the End User's Domestic telephone number or premises equipment and terminates to the Domestic called party.

2.1 (b) 700 Test Number Service. Upon Customer's written request, Qwest will provide Customer a privately branded 700 Test Number for the purpose of verifying that the End User's Primary Interexchange Carrier ("PIC") matches the Customer's CIC. The LEC tandem(s)/end office(s) must put the Customer's CIC in the call stream passed to Qwest in order for the 700 Test Number to operate properly. Qwest makes no, and specifically disclaims all, warranties, of any kind, including, without limitation, the warranties of merchantability, fitness for a particular purpose and noninfringement, with regard to the private branding of the 700 Test Number, including without limitation, the accuracy of any recorded message.

2.1 (c) Domestic Operator Services ("Domestic Operator Services"). When 0+ long distance or 00 long distance is dialed, Qwest provides Domestic Operator Services under the Qwest name to End Users. Qwest operators offer multiple billing methods to the End User (e.g., station-to-station (billed back to origination), collect, third party, LEC calling card or major credit card). Qwest will bill each Domestic Operator Services call at rates based on the originating LATA of the call, according to tariffed rates. Customer shall inform (1) new End Users prior to delivering telecommunications services to them and (2) existing End Users within thirty calendar days of the effective date of this Exhibit E1 that Qwest will perform such Domestic Operator Services directly to the End User and that Qwest will invoice the End User directly for such Domestic Operator Services.

2.1 (d) 1+ Directory Assistance Service ("1+ Directory Assistance"). 1+ Directory Assistance provides End Users with access, via a Qwest Directory Assistance operator/agent, to local and national published listing information.

2.1 (e) International Direct Distance Dialing ("IDDD"). IDDD allows End Users to dial directly from the 48 contiguous United States to foreign countries.

3. RATES.

3.1 ReQwest VCS Rates.

After receiving Customer's completed Sub-CIC Workbook, Qwest shall provide Customer an estimated cost for the installation of Customer's CIC to Customer-designated LEC tandem(s)/end office(s) ("Estimated Install Fee"). The Estimated Install Fee shall include an estimate of all LEC access services request ("ASR") charges, a Qwest administrative fee in the amount set forth in Exhibit E2 ("Qwest Administrative Fee") and any other charges that may apply. Prior to the commencement of installation, Customer shall pay to Qwest at least fifty percent of the Estimated Install Fee ("Deposit"). In the event that Customer requests that its CIC be provisioned to additional LEC tandem(s)/end office(s), Qwest will calculate a new Estimated Install Fee, and Customer will pay an additional Deposit prior to such provisioning.

Upon completion of CIC loading and testing, Qwest shall determine the actual installation fee due to Qwest ("Actual Install Fee"). Customer shall pay Qwest according to the general payment terms of the Agreement the balance of the Actual Install Fee after reducing it by the applicable Deposit(s).

**SERVICE EXHIBIT E1
REQWEST SeLECT VIRTUAL CARRIER SERVICE
WHOLESALE SERVICE AGREEMENT**

3.2 Other Services' Rates.

3.2(a) Domestic Rates.

3.2(a) (1) ReQwest SeLECT 1+ Service. For the purposes of determining the jurisdiction (interstate or intrastate) of each switched call hereunder, Qwest will use the originating state, determined by the origination information (such as Jurisdiction Information Parameter (JIP), originating ANI and/or calling party number) present in the call stream, and the terminating state, determined by the termination information (such as terminating ANI and/or called party number) present in the call stream. For the purposes of determining the appropriate rate class for each outbound call, the operating company number ("OCN") of the originating carrier will be used as set forth in OCN Classification Table and applied to the state of origination for interstate and intrastate calls; except for Alaska, Hawaii, Puerto Rico, U.S. Virgin Islands, Guam, Midway/Wake Islands, and North Mariana Islands, for which the rate Qwest applies is based on the OCN number of the terminating carrier and the terminating LATA. The ReQwest SeLECT 1+ Service rates in Exhibit E2 are for full minutes and are billed in six-second increments.

3.2(a) (2) 700 Test Number Service. Qwest shall charge the Qwest Reseller 700 Identification Service rates in Exhibit E2.

3.2(a) (3) Directory Assistance. Qwest shall charge the 1+ Directory Assistance rates and charges in Exhibit E2.

3.2(a) (4) Domestic Operator Services. Qwest shall charge End Users the Domestic Operator Services rates and charges in Exhibit E2.

3.2(a) (5) Ancillary Services. Certain services are subject to additional charges, surcharges and fees as provided in the Ancillary Services section of Exhibit E2.

3.2(b) International Rates.

3.2(b) (1) IDDD Rates. Qwest charges for IDDD according to the maximum number of digits at the beginning of the dialed number, not including any appropriate dialed prefix (e.g., "011" for international or "1" for Numbering Plan Area ("NPA")), which match exactly the NPA or country codes, plus city/mobile area codes specified in Exhibit E2, including without limitation, any supplement thereto. IDDD is subject to the availability of facilities to, and in, the country at issue. The IDDD rates in Exhibit E2 are for full minutes.

3.2(b) (2) Billing Increments. All international calls, other than calls to Mexico, shall be billed an initial thirty-second minimum, and thereafter, in six second increments (rounded to the next highest 1/10th of a minute per call). Calls to Mexico shall be billed an initial sixty-second minimum, and thereafter, in sixty-second increments.

3.2(b) (3) Rate Changes. Qwest may increase international rates, discounts, rate classification criteria, and charges upon at least five calendar days written notice. Qwest may decrease international rates, discounts, rate classification criteria, and charges immediately and without written notice, or as otherwise specified in writing.

3.2(c) Additional Rates and Related Terms.

3.2(c) (1) Short Duration Calls. If ten percent or more of Customer's completed calls during any Billing Cycle (defined in Section 3.2(c)(8)) constitute calls under six seconds in length ("Short Duration Calls"), Qwest may charge each Short Duration Call in such Billing Cycle (including those Short Duration Calls under the ten percent threshold) the additional per call surcharge set forth in Exhibit E2.

3.2(c) (2) Charges Associated with Modifications to End User PICs. Both Qwest and Customer may be required to sign certain agreements with LECs in order for Customer to receive ReQwest VCS (the "LEC Agreements"). Notwithstanding anything to the contrary in any LEC Agreements: (a) Customer shall pay all LEC charges relating to switching of an End User's PIC; and (b) Customer shall pay for, or reimburse Qwest for, all charges associated with investigating and resolving all PIC selection and authorization disputes ("PIC Disputes") and PIC verification inquiries arising under the LEC Agreements. This Section 3.2(c)(2) is material and any breach of it shall give rise to an immediate right by Qwest to terminate this Exhibit E1 upon written notice, and without regard to any right to cure set forth elsewhere in the Agreement, and to pursue any and all remedies available to it at law or in equity.

3.2(c) (3) LEC Charges. Customer shall pay the LEC directly for all charges imposed by the LEC for converting End Users to Customer's CIC.

**SERVICE EXHIBIT E1
REQWEST SeLEct VIRTUAL CARRIER SERVICE
WHOLESALE SERVICE AGREEMENT**

3.2(c) (4) PIC Changes. If an End User provides a new PIC authorization to another carrier other than Customer, Customer shall be liable for payment of all ReQwest VCS and all Other Services (collectively, "Services") charges until such time that the PIC change is implemented by the LEC.

3.2(c) (5) Rate Changes. Except where otherwise stated in this Exhibit E1, all rates, discounts, rate-classification criteria and charges in Exhibit E2 are subject to change upon thirty calendar days written notice to Customer.

3.2(c) (6) Regulatory Activity Rate Adjustments. In the event of Regulatory Activity and notwithstanding any other provision herein to the contrary, Qwest may, upon prior written notice when reasonably practicable, modify, change or add to (i) the rates, (ii) any Service, and/or (iii) other terms and conditions contained in the Agreement to reflect the impact of, or to effect, such Regulatory Activity.

3.2(c) (7) Bulk Standard Rounding. Qwest invoices for Services to the full cent level, however, Qwest tracks call charges to the fourth decimal place. Qwest uses "Bulk Standard Rounding" to convert from the fourth decimal place to full cents. Bulk Standard Rounding rounds (i) up the amount billed for a call to the 2nd decimal place, if the third and fourth decimal places of a call charge are equal to, or exceed, \$0.0050; and (ii) down the amount billed for a call to the 2nd decimal place, if the third and fourth decimal places of a call charge are less than \$0.0050. The difference between the billed charge and the actual call charge, negative or positive ("Difference"), is applied to the next call, and such call's actual charges plus the Difference are Bulk Standard Rounded in the same manner to determine the billed charge for such call. This process repeats for all calls.

3.2(c) (8) Revenue Discounts. During each Billing Cycle, Customer shall receive the discounts set forth in the Revenue Discount Schedule in Exhibit E2 which corresponds with the total Contributory Charges invoiced under the Agreement during that Billing Cycle. The applicable monthly discount will be applied against only Customer's interstate ReQwest SeLEct 1+ Service rendered under this Exhibit E1 in the forty-eight contiguous United States. "Billing Cycle" means the month-long period, not necessarily beginning on the first of the month, for which Qwest invoices Customer for ReQwest SeLEct 1+ Service rendered under this Exhibit E1.

4. LEC PROVISIONING TERMS.

4.1 Customer must complete the Qwest Sub-CIC Workbook, indicating which LEC tandem(s)/end office(s) should load Customer's CIC as a sub-CIC associated with the Qwest network. Customer's CIC will be loaded through the installation and completion of ASRs at each LEC tandem/end-office, as determined by the LEC and as documented by Customer in a form satisfactory to Qwest.

4.2 Upon receipt of a complete list of designated LEC tandems/end offices and all other requested documentation (e.g., LOAs), Qwest shall provide an estimated service commencement date ("Commencement Date") for ReQwest VCS and Other Services. Qwest shall use commercially reasonable efforts to meet any Commencement Date, but Qwest shall have no liability to Customer or any End User for any failure to meet such Commencement Date.

4.3 If Customer makes an error in designating LEC tandem(s) or end office(s), or otherwise modifies any information it provides to Qwest in the Sub-CIC Workbook, Customer shall be responsible for paying all charges associated with such error or modification, including without limitation, LEC change order fees, ASR cancellation fees, and as set forth in Exhibit E2, the LEC SUP Charge and the Qwest SUP Charge. In no event shall Qwest be liable for any associated LEC charges.

5. CARE PROVISIONING TERMS.

5.1 Customer shall process all Customer Account Record Exchange ("CARE") transactions for Customer's CIC. Customer shall submit orders for all ANIs to Qwest within forty-eight hours of receipt of a written PIC order from the LEC.

5.2 Customer is responsible for dealing directly with the LEC regarding all CARE services, and Qwest shall not be responsible or liable in any way for any CARE services or acts or omissions of LECs, including without limitation, those related to PIC changes.

5.3 Customer is solely responsible for selecting the "No PIC" option for each ANI entered into Qwest's on-line order entry system.

6. OTHER TERMS.

6.1 Customer shall enter each End User ANI in Qwest's on-line order entry system at least one business day prior to the final scheduled delivery date of Customer's ReQwest VCS Services. Qwest's on-line order entry system is currently Remote Control®, but Qwest may, in its sole discretion and without prior notice, change such on-line order entry system from time-to-time. Customer may be required to execute other agreements, including without limitation, software license agreements, related to the use of such Exhibit E-1 QC-QCC2007.11.12

**SERVICE EXHIBIT E1

WHOLESALE SERVICE AGREEMENT**

systems. When entering ANIs into Qwest's on-line order entry system, Customer is responsible for assigning each End User ANI to the appropriate Qwest product account. Customer is also responsible for promptly removing each End User ANI from its Qwest product account whenever appropriate, including without limitation, when the End User changes its PIC. Customer waives any and all claims against Qwest arising out of Customer's failure to timely update the appropriate Qwest product account(s), which updates include, without limitation, entering and assigning each End User ANI or removing each End User ANI due to an End User PIC change.

6.2 Qwest will bill for calls routed to the Qwest network via ReQwest VCS on an ANI basis. Hence, all ANIs presubscribed to Customer's CIC and, therefore, riding Qwest's facilities, must be timely loaded (at least one day prior to initial sub-CIC load (the scheduled delivery date) and at least 48 hours subsequent to any ongoing PIC change) into Qwest's on-line order entry system and in the manner specified by Qwest. Failure to do so will result in Qwest (a) billing Customer ongoing charges associated with such ANI, and (b) directly billing affected End Users at casual calling rates.

6.3 At any time, Qwest may audit Customer's ANIs present in the Qwest billing system. Notwithstanding anything to the contrary in the Agreement limiting Qwest's right to backbill, Qwest may backbill Customer for any amounts that were not billed due to Customer's order entry errors or inaccurate information provided by Customer, and Customer shall pay any such backbilled amounts. Customer shall pay all charges billed by Qwest for ordered ReQwest VCS or Other Services.

7. TERM AND TERMINATION.

7.1 Unless earlier terminated as provided herein, this Exhibit E1 shall be effective as of the Amendment Effective Date (the "Exhibit Effective Date") and continue for twelve (12) months (the "Initial Term"). After the expiration of the Initial Term, the term of this Exhibit E1 will continue on a month-to-month basis unless terminated by either Party on thirty calendar days prior written notice (the Initial Term and any month-to-month extensions hereof shall be collectively referred to as the "Term"); provided that such termination shall take effect on the thirty-first calendar day following the terminating Party's notice, regardless of the date upon which the initial month-to-month renewal occurred. Notwithstanding anything to the contrary herein, if at any time the Agreement, as amended, is terminated or no longer in effect, this Exhibit E1 will be deemed immediately terminated without notice.

7.2 Notwithstanding anything to the contrary in the Agreement, ReQwest VCS will not be available and Qwest may terminate this Exhibit E1 if the applicable LEC(s) terminates the provision of any service necessary for Qwest to provide ReQwest VCS. Qwest shall not be responsible for any termination fees or liabilities of any kind resulting from any such unavailability or termination of ReQwest VCS.

7.3 Without affecting any other Customer obligations herein, upon thirty calendar days prior written notice by Customer to Qwest, Customer may cancel, disconnect, or terminate sub-CIC routing to any such tandem(s)/end office(s), provided that such notice specifically identifies the affected LEC tandem(s)/end office(s).

8. LIABILITY AND INDEMNITY.

Without limiting the Agreement, Customer shall indemnify, defend, and hold harmless Qwest, its Affiliates, and their respective directors, officers, employees, agents, subsidiaries, affiliates, designees and assignees ("Qwest Indemnitees") from and against any third-party claims, demands, actions, losses, damages assessments, fines, penalties, charges, liabilities, costs and expenses, including without limitation, reasonable attorney fees, which may at any time be suffered or incurred by, or be asserted against, any or all Qwest Indemnitees, relating to, or resulting from, without limitation, Customer's failure to comply with the terms of this Exhibit E1.

9. PRODUCT MINIMUM USAGE REQUIREMENT.

Commencing on the one-year anniversary date of the Exhibit Effective Date, if Contributory Charges for each Billing Cycle for ReQwest SeLEct 1+ Service provided under this Exhibit E1 do not meet or exceed the "Product Minimum" stated in Exhibit E2, Qwest may, at Qwest's sole determination, upon thirty calendar days prior written notice to Customer, terminate this Exhibit E1 without further liability or obligation to Customer.
