Airporter Shuttle

Attention Laura Martin

Dear Ms. Martin:

You indicated that there is a possibility that your schedule may be changed to include passenger delivery and pick-up directly to and from the Coast Gateway Hotel near the entrance to the SeaTac Airport terminal. If so, this would be a significant added convenience to my wife and me, since one or the other or both of us frequently have early morning flights from SeaTac and we avail ourselves of your Shuttle service and over night accommodations at the Coast Gateway.

Please let us know whenever such improved service becomes available.

Sincerely,

Dee R. and Barbara C. Eberhart
