

QWEST CERTIFICATION OF NETWORK EMERGENCY PREPAREDNESS AND COMPLIANCE WITH SERVICE QUALITY MEASURES

I, Robert W. Greenwood, the Vice President of Network Operations and Engineering – Washington, an officer of Qwest Corporation (“Company”), do hereby certify under penalty of perjury under the laws of the State of Washington that the following statement is true and correct.

The Company hereby certifies to the Washington Utility and Transportation Commission, pursuant to the requirements of WAC 480-123-030, that it:

- 1) is able to remain functional in emergencies, and,
- 2) substantially complies with service quality measures in applicable Washington Commission rules.

DATED this 27 day of July, 2006, at Seattle, Wa.
(Location)

By: 
Robert W. Greenwood
Vice President of Network Operations and Engineering
Qwest Corporation
