

DP customers will be alive by then. This is totally unacceptable, all of DP suffering and paying for AU's failure to execute 2 funded projects in a timely fashion. CCoGDP considers this proposal a reward for extremely poor management and it is highly unlikely that such a surcharge can be collected without extreme protestation by the community.

**Concerned Citizens of Greater Diamond Point Docket UW-080926 May 23, 2008**

**Petition Opposing Rate Increase**

- 1. We object to the rate increase until the AU submitted rate related expenditures are reviewed by Concerned Citizens of Greater Diamond Point.**
- 2. Withhold rate approvals until all conditions are met.**

**I do concur and wish to have my complaint filed with the Washington Utilities and Transportation Commission.**
