UTILITIES AND TRANSPORTATION COMMISSION

TO: Dave Pratt, Assistant Director, Transportation Safety

FROM: Thad Leipski, Transportation Specialist 3

DATE: November 13, 2009

SUBJECT: Docket TV-090558; Application for Permanent Authority

---

On April 20, 2009, LionsPride Services, LLC, d/b/a LionsPride Sustainable Moving & Delivery, filed Docket TV-090558 requesting permanent household goods authority.

The commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit No. THG-63586, since May 11, 2009.

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator B. Grimm completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator B. Grimm found the company in general compliance and on October 6, 2009, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-63586 is in order as follows:

- No annual report of file with Records Center since company was issued authority this year.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-63586.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.

I recommend the commission grant TV-090558 without hearing and reissue permit THG-63586 to HG-63586, to LionsPride Services, LLC, d/b/a LionsPride Sustainable Moving & Delivery, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
