Respondents.

DOCKET UE-091531

DECLARATION OF LISA E.
WYSE

1 I, Lisa E. Wyse, declare under penalty of perjury under the laws of the State of
Washington that the following is true and correct.

2 My name is Lisa E. Wyse. I am employed by the Washington Utilities and
Transportation Commission (UTC) as the UTC's Records Manager. I have held this
position since September 18, 2003. For 14 years before that, I held positions with the UTC
that involved receiving and filing documents sent to the UTC by public service companies
subject to UTC jurisdiction.

3 My duties as Records Manager includes managing how the UTC accepts receipt of
documents from public service companies, and how the UTC files and stores those
documents in the appropriate place at the UTC, for retention and use by the UTC and the
public. I am familiar with the types of documents that UTC-regulated public service
companies routinely file with the UTC, and I am familiar with how those documents are
filed and stored at the UTC.

4 Among the documents routinely filed by UTC-regulated public service companies are “tariffs” and “annual reports.” It is my understanding that each UTC-regulated public service company must have its tariffs on file with the UTC, and that at least annually, it must also file financial reports with the UTC. In my experience, each UTC-regulated public service company routinely files such tariffs and annual reports.

5 On November 5, 2009, I searched UTC records for any tariff or annual report on file for any entity named “Salmon Shores RV Park,” and for any entity with the word “Salmon” in its name. I found no tariff or annual report on file with the UTC with the name “Salmon Shores RV Park” or with the word “Salmon” in its name.

DATED and SIGNED at Olympia, Washington, on November 9, 2009.
