**Notice of Deficient Application – TV-112194**

The following items either need to be completed and/or corrected for prompt processing of your application for operating authority:

- X Your application is missing the Unified Business Identifier (UBI) number. Anyone who does business in the state of Washington must register with Business Licensing Service - Department of Revenue and receive a UBI number. They can be reached at 800-451-7985. If you are a corporation, you also need to register with the Secretary of State's office at 360-725-0377.
- X Your Company must also be registered with Department of Labor & Industries, as well as Employment Security Department.
- X Two of the Support Statements that were submitted were from people in Oregon. Since this authority is for Washington State, you need to get support statements from Washington residences that support your business. I'm attaching a blank form for your use.
