- 1 On July 23, 2012, the Washington Utilities and Transportation Commission (Commission) assessed a penalty in the amount of \$2,100 against 3rd Generation Movers and Hauling (3rd Generation or Company), for violations of WAC 480-15-480. This rule requires household goods carriers to file annual reports with the Commission by May 1 each year.

- 2 On February 4, 2014, the Commission entered Order 01, Order Granting Request for Payment Arrangement (Order 01). The Commission authorized the Company to pay the penalty in five installments beginning on February 18, 2014, on condition that 3rd Generation pay each installment when due. The Order provides that if 3rd Generation fails to timely pay one installment, the entirety of the remaining balance of the assessed penalty will become immediately due and payable, and the Commission may cancel the Company's household goods permit.

- 3 The Commission's records reflect that 3rd Generation did not make the installment payment due on February 18, 2014. Under the terms of Order 01, therefore, the entire penalty of \$2,100 is now due and payable, and the Commission cancels 3rd Generation's permit to operate as a household goods carrier.

THE COMMISSION ORDERS THAT:

- 4 (1) The entire penalty of \$2,100 is due and payable to the Commission.
- 5 (2) Permit THG 64249 authorizing 3rd Generation Movers and Hauling to operate
as a household goods carrier is CANCELLED.
- 6 (3) 3rd Generation Movers and Hauling must immediately cease and desist
operations as a household goods carrier in the state of Washington.
- 7 The Secretary has been delegated authority to enter this order on behalf of the
Commissioners under WAC 480-07-904(1)(h).

DATED at Olympia, Washington, and effective March 14, 2014.
