

WASHINGTON
UTC
UTILITIES AND TRANSPORTATION
COMMISSION

TO: Dave Pratt, Assistant Director for Transportation Safety
FROM:  Tina Deipski, Transportation Specialist 3
DATE: June 17, 2015
SUBJECT: Docket TV-130395, Application for Permanent Authority

On March 13, 2013, Effort Enterprises of Tacoma, Inc., d/b/a Atlantic Relocation Systems, filed Docket TV-130395 requesting permanent household goods authority.

The Commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under household goods carrier permit THG-64879, since April 2, 2013.

Under WAC 480-15-305, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Alan Dickson completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Dickson found the company in general compliance and on June 2, 2015, he recommended the applicant be considered for permanent authority.

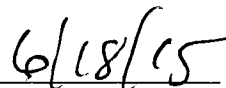

The current provisional permit THG-64879 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-64879.
- Compliance Investigations does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.
- Company attended mandatory HHG new entrant training on April 17, 2013.

I recommend the Commission grant TV-130395 without hearing and reissue permit HG-64879 to Effort Enterprises of Tacoma, Inc., d/b/a Atlantic Relocation Systems, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
