Dear Bens Moving & Delivery Services, Inc.:

On September 3, 2013, Bens Moving & Delivery Services, Inc., d/b/a Bens Moving & Delivery Services, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On September 13, 2013, the Commission approved the application in part and granted Bens Moving & Delivery Services, Inc., temporary authority to provide those services.

The Commission has determined that Bens Moving & Delivery Services, Inc., qualifies for permanent household goods carrier authority and approves the application in full. Permit HG065105, issued in the name of Bens Moving & Delivery Services, Inc., is enclosed, and the company may now operate on a permanent basis.

Bens Moving & Delivery Services, Inc. must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
