Docket TG-151067*

TO ALL PARTIES:

On June 18, 2015, the Washington Utilities and Transportation Commission entered Order 01, Order Granting Application – Amending Certificate G-260 and Cancelling Certificate G-169. This erratum notes and corrects the following errors:

- The company's name should reflect an "&" and not "and" spelled out.
- The application had indicated a start of service date of July 1, 2015. This order will become effective June 30, 2015.
- The tariff filed in connection with this application will become effective at 12:01 a.m. on July 1, 2015.

The Commission approves these revisions and updates TG-151067, Order 01, to reflect an effective date of June 30, 2015.

Sincerely,

Steven V. King
Executive Director and Secretary
