Re: TG-152347; Petition for Exemption; *In Re The Petition for Exemption for Excess Disposal, Inc.*; G-107

Dear Mr. King:

On behalf of the Petitioner, this is to request withdrawal of the Petition filed on December 16, 2015 in this matter. Instead, we would now request that the Commission, pursuant to WAC 480-07-370(b), authorize this disposal fee filing as an exception to the general rate case workpaper rules at WAC 480-07-520. Thank you and the Staff for your cooperation with and attention to this request.

Yours truly,

WILLIAMS KASTNER & GIBBS, PLLC
