RE: Carroll-Naslund Disposal Service, Inc. - G-37
Tariff Number 4, Revised pages

Dear Secretary:

Enclosed herewith are proposed tariff 4, pages 1,8,14,17-19A,22,24-26A and 26B issued December 15, 2015 become effective February 1, 2016 for Carroll-Naslund Disposal Service, Inc., G-37. Our last general rate increase was 2009. The revisions are due to increases in Asotin County landfill disposal fees, and increases in wages, postage, insurance and other operating expenses. The annual revenue increase, if approved by the commission, is approximately \$95,264 or 8.1% of total revenue. The change in a typical (64 gallon) customer is approximately \$1.55 or 9.6%. In conjunction, we submit the following in regards to the revised tariff.

- Copies of revised tariff pages
- Copies of sample customer notices
- Solid Waste General Rate Case Checklist
- Accounting workpapers (both paper and electronic copies)

Notices will be mailed on or before December 31, 2015 to customers and the newspaper of general circulation. In addition, copy of transmittal letters were mailed to Asotin and Garfield County. If we can provide any further information, please call Bob Cole at 425-882-3118.

Sincerely,
Robert C. Cole
