Subject: **TR-160284 – The Northwest Railway Museum**
Completion of Grade Crossing Protective Fund (GCPF) Project
SR-202/Bendigo Street – USDOT 092040A

On August 4, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$11,900 to The Northwest Railway Museum (Northwest Railway Museum) for a project involving modification of active warning devices at the SR-202/Bendigo Street crossing in North Bend, identified as USDOT 092040A. The estimated total project cost was \$14,900. The Northwest Railway Museum's actual cost for this project was \$10,692.89.

On September 26, 2016, the Northwest Railway Museum submitted a request for reimbursement. Rail Safety staff inspected the crossing on October 6, 2016, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
