Ms. O'Claire:

Yesterday, June 15, 2016, you submitted a request for public records to the commission, in which you stated, "On April 29, 2016, I filed my annual report. To do so, I had to fill out an electronic filing cover page on the UTC website with my name, email address, a description of attachments and each file attached. I'm requesting a copy of the electronic filing cover page which is a necessary document to file documents electronically with the WUTC. "

The commission has reviewed its records and has attached responsive documents to your request. I have attached both the form and the document that was downloaded to the form.

This email completes your request for public records. If you have any further questions on this subject, please reply to this email or contact me directly at the number listed below.

Sincerely,

Lisa Wyse, Manager

Dear Ms. Wyse:

Thank you for responding to my request for public records. Unfortunately, I received from you a UTC SharePoint document created on May 2, 2016 by Pam Chiles and one page of my multi-page document submittal. The SharePoint does not list any attachments, but the UTC did receive one of the pages in my multi-page submittal.

To submit an e-file to the UTC, users must complete an electronic filing cover page. The electronic filing cover page lists each attachment with a description and level of confidentiality. Please provide me my electronic filing cover page created on April 29, 2016.

Cordially,
Kate O'Claire
