Re: Penalty Assessment / Request for mitigation

Docket TE-170082

Dear Mr. King & Commission,

Crystal Coach Limousine is asking for the penalty to be \$1,000.00
And the balance be differed. There were redundant violations under
certain infractions.

Crystal Coach has operated Limousine Busses since 2010 with the DOT
and since 2002 with WUTC. We have a very good track record. We
have no accidents and convictions in all our years of business.

We have sold our busses due to change in direction for Crystal Coach
Limousine. I have enclosed a copy of the Voluntary Cancellation.

We appreciate your review and hope we can get this penalty adjusted,
As our company is small based and penalty of this amount is very
financially stressful to our business.

Thank You ,

Tony Devino

President
