Re: TE-170203 - Granting Application for Charter/Excursion Authority - CH067717

Dear Chariot Transit Inc.:

On March 29, 2017, Chariot Transit Inc. filed an application with the Washington Utilities and Transportation Commission (Commission) to provide Charter and Excursion Bus carrier services in the state of Washington.

The Commission approves the application and issues the enclosed certificate CH067717 authorizing Chariot Transit Inc. to provide Charter and Excursion Bus carrier services in Washington with exceptions below.

Chariot will also offer employers charter contracts for employee commuter solutions. This service will involve single contracts with single employers pursuant to which the employer will pay a negotiated fee. Multiple employers cannot be combined into a single contract. A vehicle or vehicles, owned by Chariot and operated by a Chariot employee, will transport a single customer's employees to and from their place of work. Employees will be picked up at one or more designated pick up/drop-off points and transported as a group to a single destination (the place of employment). The return trip will entail pick up at the place of employment and drop off at the designated pickup/drop-off points. This service will not be open to the public, but only to the employees of employers who have contracted with Chariot and only for the purpose of transporting such employees to and from work.

Enclosed with this letter is a copy of the Commission rules governing Passenger Transportation companies. If you have questions about this letter, please contact Licensing Services at 360-664-1222. You may also email us at transportation@utc.wa.gov.
