**Re: PSE's 2017 Renewable Portfolio Standard Report – *Corrected Page 3*
UE-170515**

Dear Mr. King:

On June 1, 2017, Puget Sound Energy (“PSE”) filed its 2017 annual Renewable Portfolio Standard Report (the “Report”) in the above-referenced docket.

It has been brought to our attention that the Compliance Plan on page 3 of the Report (Section 6) contains a duplicated resource name. Specifically, “Wild Horse Phase II (Vintage 2016)” appears twice. The attached substitute page 3 corrects the second reference to read “Wild Horse (Vintage 2016).” No other part of the Report is affected by this change.

A copy of this submittal will also be provided to the Department of Commerce.

If you have any questions regarding this filing, please contact Chris Schaefer, Manager, Regulatory Planning & Compliance at chris.schaefer@pse.com or (425) 456-2932.

Sincerely,

/s/ Katherine J. Barnard
