Re: CENSE v. Puget Sound Energy, Formal Complaint

Dear Honorable Commissioners:

Citizens for Sane Eastside Energy (CSEE) is a nonprofit Eastside citizens action group that opposes PSE's unnecessary, unsafe and uneconomical projects on the Eastside, including "Energize Eastside" and the Lake Hills-Phantom Lake Transmission line.

CSEE joins CENSE in the Formal Complaint made under this Docket UE-171083 and requests to be copied on all submittals and notified regarding any public hearings that may be scheduled.

Sincerely,

Larry G. Johnson
