RE: Bainbridge Disposal, Inc., G-143, Commodity Credit Revision Filing

Dear Secretary:

Bainbridge Disposal has filed its annual commodity credit in Docket TG-180049. Due to the volatility in the recycling commodity markets we may now request a waiver from WAC 480-70-351(2). The calculation used the most recent 6-month historical period to estimate the recycling commodity revenue and commodity credit for the next six months. The effective date of the commodity credit filing, April 1, 2018 remains unchanged. Attached are updated workpapers reflecting the change from a 12-month period to a 6-month period for calculating the projected commodity credit.

My authority to file on behalf of Bainbridge Disposal is on record. If there are any questions please contact me via phone at 360-425-8000, fax at 360-425-8005 or email [jdavis@boothdavis.com](mailto:jdavis@boothdavis.com). Heather Church may be reached at Bainbridge Disposal, Inc., P O Box 10699, Bainbridge Island, WA 98110; phone 206-842-4882, fax 206-780-9730 or email [heather@bainbridgedisposal.com](mailto:heather@bainbridgedisposal.com).

Very truly yours,
