Washington Utilities and Transportation Commission
PO Box 47250
Olympia WA 98504-4720

Dear Ms. Maxwell:

Enclosed is new Tariff #16 for Excess Disposal, Inc. This filing increases refuse collection rates due to higher operating costs.

If approved, this filing will increase rates approximately \$69,000 (4.51%).

Workpapers as required by WAC 480-07-520 are included. However, we request a waiver from WAC 480-07-520(4)(d) which requires a detailed separation of revenue and expenses if non-regulated revenue is more than 10% of the test period revenue. Non-regulated revenue is 10.6% of the total in the test year. We assigned a proportionate share of the total revenue requirement to non-regulated operations.

Proposed customer notice is also enclosed and will be mailed to customers on or before June 30, 2022.

If I can be of any further assistance, please contact me at (208) 437-4502 or (208) 437-4502 (Fax) or at excessdisposal@gmail.com.

Respectfully,

Travis Low
