**Re: Revised Petition for an Order Authorizing Deferred Accounting Treatment of Expenses Relating to the Implementation of the Climate Commitment Act (CCA), Docket UG-220759**

Dear Ms. Maxwell:

Enclosed please find the following replacement document submitted on behalf of Cascade Natural Gas Corporation:

Petition of Cascade Natural Gas Corporation for an Order Authorizing Deferred Accounting Treatment of Expenses Relating to the Implementation of the Climate Commitment Act (CCA)

In consultation with Staff Cascade, is replacing its petition to include interest in compliance with the Commission's most recent authorized method in Docket UG-220912.

Cascade has also updated its petition request to specifically point out that CCA costs will be tracked in a different subaccount or by workorder than revenues received from the sale of allowances.

If you have any questions, please direct them to me at (208) 377-6015.

Sincerely,

*/s/ Lori A. Blattner*
