Dear Mr. Killip:

Enclosed you will find for filing in this docket a revised version of FCC Form 481 for Kalama Telephone Company. Public copies (redacted) and confidential copies of the filing are included. The revised FCC Form 481 replaces, in its entirety, the originally filed FCC Form 481 that was filed on May 16, 2024.

Because of the CONFIDENTIAL nature of the information contained in the enclosed FCC Form 481, pursuant to RCW 80.04.095 and WAC 480-07-160 the Company hereby asserts a claim of confidentiality with respect to the FCC Form 481. The basis for this claim is that they contain valuable commercial information, including confidential marketing, cost and financial information. Accordingly, in compliance with WAC 480-07-160(5)(c), unredacted and redacted versions of those documents are being filed. As specified in WAC 480-07-160(5)(c)(i), the unredacted version of materials claimed to be confidential have been marked “Shaded information is confidential per WAC 480-07-160.” The information thereon that is claimed to be confidential has been clearly designated by highlighting with grey shading. The redacted versions have been marked “Redacted information is confidential per WAC 480-07-160.”

If you have any questions about the filing, please contact me at 360-264-3155.

Sincerely,

Rick Vitzthum
Chief Financial Officer
