ORDER 02

ORDER GRANTING MOTION TO
WITHDRAW PETITION AND
CLOSING DOCKET

BACKGROUND

- 1 On January 24, 2025, Ziplly Fiber Northwest LLC (“Ziplly Fiber” or Company) filed with the Washington Utilities and Transportation Commission (Commission) a revision to its Tariff WN U-101 (General and Local Exchange tariff) to reflect an increase in its late payment fee, from \$12 to \$15 (25% increase).
- 2 On February 28, 2025, Ziplly Fiber filed a letter withdrawing the tariff, in an attempt to comply with WAC 480-07-380(3)(b).¹
- 3 Notwithstanding the notice of withdrawal, that same day, the Commission suspended the tariff, and initiated an investigation of Ziplly Fiber’s books, accounts, practices, activities, property and operations.
- 4 **MOTION TO WITHDRAW.** On March 12, 2025, Ziplly Fiber filed a motion to withdraw its filed tariff. The motion explained:

In such circumstances, the company need only file a written notice that it is withdrawing that filing.”

properly belong in the Company's Washington General and Local Exchange Service Catalog. Therefore, Ziplly Fiber intends to submit a more comprehensive Tariff revision to align Tariff WN U-101 with the Commission's decision and Order 06 in Docket UT-121994, FINAL ORDER APPROVING SETTLEMENT AGREEMENTS WITH CONDITIONS AND CLASSIFYING SERVICES AS COMPETITIVE."

- 5 The Commission finds it in the public interest to permit the withdrawal of this petition and close the docket. Ziplly Fiber does not wish to pursue the tariffs as originally proposed; there is no need for further Commission resources to be expended until such a time Ziplly Fiber files a tariff which they wish to pursue.

ORDER

- 6 THE COMMISSION ORDERS That Ziplly Fiber Northwest, LLC's motion to withdraw its petition in Docket UT-250046 is granted without prejudice and closes the docket.
