RE: 2025 General Rate Case – G12 - Rabanco Ltd. (dba Tri-County Disposal, Allied Waste Services of Klickitat County, Rabanco Recycling)

Dear Jeff Killip,

Enclosed is the proposed Tariff No. 8 of G-12 - Rabanco Ltd. (dba Tri-County Disposal, Allied Waste Services of Klickitat County, Rabanco Recycling), the purpose of which is a general rate increase request. It has been a year since our last general increase on these rates and in that time we have experienced inflationary pressures on key operating costs and made investments in strategic operating assets. The proposed rates will offset increases in labor, maintenance, healthcare, pension, and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate 5.72% or \$183,157.

The proposed rates impact services provided as follows:

	% Revenue Change	\$ Revenue Change	Estimated Rate Impacts
Garbage:	+5.72%	\$183,157	+5.16%

As required by Commission rules, a copy of this transmittal letter will be mailed to the Chairman of Klickitat County's Board of Commissioners impacted by this filing. Customer notification letters were mailed May 12, 2025. Copies of the customer notices accompany this filing.

If you have any questions, please call me at (206) 225-6967.

Sincerely,
