RE: *City of Wenatchee v. Burlington Northern Santa Fe Railway*,  
Docket TR-220540

TO ALL PARTIES:

On July 15, 2022, the City of Wenatchee filed with the Washington Utilities and Transportation Commission (Commission) a Petition to Modify Highway-Rail Grade Crossing Warning Devices (Petition). The Petition seeks to modify warning devices at the crossing at 9th Street in Wenatchee, Washington.

On October 11, 2022, the Commission issued a Notice of Prehearing Conference (PHC Notice), which scheduled a prehearing conference on October 25, 2022, at 10 a.m.

Due to an internal scheduling conflict, the Commission now finds good cause to reschedule the PHC to 11 a.m. instead of 10 a.m. Accordingly, the Commission reschedules the PHC to 11 a.m. on October 25, 2022.

**THE COMMISSION GIVES NOTICE That the virtual prehearing conference in this matter is rescheduled to Tuesday, October 25, 2022, beginning at 11 a.m.**
