RE: *Washington Utilities and Transportation Commission v. CenturyLink Communications, LLC d/b/a Lumen Technologies Group*, Docket UT-240078

TO ALL PARTIES:

On March 13, 2024, the Washington Utilities and Transportation Commission (Commission) issued a Complaint and Notice of Prehearing Conference, which scheduled the above-referenced matter for a prehearing conference (PHC) on April 8, 2024. The Commission subsequently rescheduled the PHC for April 4, 2024.

On March 28, 2024, Commission staff (Staff) contacted the Commission's Administrative Law Division to inform the presiding officer that the parties were making headway towards an early settlement and requested that the PHC be continued to a later date to allow time to possibly settle before the need for a PHC. Staff represents that the Company is supportive of Staff's request for continuance.

Due to the parties' agreement and the Commission's interest in encouraging settlement, the Commission finds good cause to continue the prehearing conference to April 16, 2024, at 9 a.m. To participate by phone, call (253) 215-8782 and enter the Meeting ID: 836 2415 7792# and Passcode 469495#.
