BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
LESS THAN STATUTORY NOTICE REQUESTED BY:

* **Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):** Tariff No. 10: Customer and Commission Notifications for Disposal fee increase.
* **Present provisions are:** 45 day notice to customers for all tariff changes per RCW 81.28.050
* **Proposed changes are:** Notify customers on the first bill as stated in WAC 480-70-271 (2)(a)(iii). This would occur October 1, 2026.
* **Explain why the company is proposing this tariff revision:** The Company is filing for a disposal increase from Umatilla County effective August 1, 2026.
* **Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):** The historic practice is to notify customers of a commodity price adjustment & increases related to tip fee increases on the first bill per WAC 480-70-271(2)(a)(iii) this allows us to keep rate payer costs down by avoiding unnecessary additional printing and postage. Umatilla County passed the Order on July 15th, 2026 increasing the Tip Fee two weeks later on August 1, 2026. The Company will bear the cost of this increase for two months but is requesting this LSN for the rates to become effective October 1, 2026.
