Subject: RE: 26 Alpha accounts

Hi Agnes,

Based on the review it took for the 5 accounts (7 hours), and the accuracy necessary I would prefer to have myself and Sarah Booker review the remaining 21 accounts. If she and I are able to focus on just this review we would be ready to present on Friday afternoon. However, realistically and for us to double check each other's accuracy if she and I came in on Saturday in addition to working them the rest of this week we would have these additional 21 accounts completed by Saturday Afternoon. Providing them to you on Saturday would give some time (depending on when you need to deliver) to review them yourselves.

So if you would like to present them next week - we can make that happen.

Just let me know and I will work on our schedules for the rest of this week.

Thank you,

Kristina

We were told do do the 5. Now the opinion has shifted based on what is contained in the consent order. We need to review the remaining 21 accounts.

What resources are needed and when can we deliver the findings? Agnes
