Notice of material change to project, as needed</p> <p>Conditional Use Permit is granted for up to 200 wind turbines and accessory uses as generally described in the application. The Applicant(s) shall notify the Carbon County Planning & Development Department in writing of any material changes to the Project subsequent to the County issuance of the Conditional Use Permit.</p> <p>This permit is subject to final approval and issuance of a permit by the Industrial Siting Council. The Applicant(s) shall submit a copy of all subsequent Federal and State approvals, including all required studies, reports and certifications prior to the issue of any applicable building permits.</p> | No action required unless material change is planned. | Open |
| 23 | COA 3 . Submit Copy of all Federal and State approvals | PacificCorp's contractor will obtain building permits prior to construction | All permits received excluding the O&M building | Open |
| 24 | COA 4-5-8. WTG & O&M building permit & Land owner approval & WTG Location | To the extent not inconsistent with confidentiality and security obligations under State and/or Federal law, the Owner(s) or Operator(s) shall provide the Carbon County Planning and Development Department with a detailed map of the site within ninety (90) days after operation begins. The Project Map will include the geographic coordinates of each WECS structure, all roads within the WECS Project area, and public roads and turnouts connecting to roads of the WECS Project. The Project Map shall be updated by the Owner(s) or Operator(s) every five (5) years or after the completion of any significant additional construction. | Ongoing, will be submitted once construction is complete | Open |
| 25 | COA 12. Submit detail Site Map (90 days after operation) | The Owner(s) or Operator(s) of the WECS Project shall maintain a current General Liability Policy issued by an insurance company authorized to do business in Wyoming covering bodily injury and property damage with limits of at least \$1 million per occurrence and \$1 million in the aggregate. The Applicant(s) shall provide proof of insurance to the Board of County Commissioners prior to the Board's approval of the submitted application or otherwise demonstrate adequate self-insurance. If the application is approved, the Owner(s) or Operator(s) of the WECS shall provide proof of insurance to the Board annually. Proof of insurance may be made by providing a certificate of insurance | Closed, PacificCorp submitted proof of insurance on March 4, 2019 | Closed |
| 26 | COA 13. Annual Proof of Insurance | No conditional use permit shall be transferred without the prior approval of the Board of County Commissioners. The Board's approval shall not be unreasonably withheld upon good cause shown. Any transferee shall agree in writing to be bound by the terms of the Conditional Use Permit. It is specifically understood and agreed that as of the date of the Carbon County Commission hearing on April 3rd, 2018, the Applicant intends to transfer this permit to PacificCorp for construction, development, and operation of the Project. The Board hereby approves of such transfer, subject to PacificCorp agreeing in writing to be bound by all of the terms of the Conditional Use Permit as the owner of the permit. This conditional use permit shall not have any additional transfers other than the aforementioned transfer under this paragraph 14 without the prior approval of the Board of County Commissioners. | Closed, PacificCorp submitted assignment and agreement letter to Carbon County on January 10, 2019 | Closed |
| 27 | COA 15. PacificCorp agreement to CUP provisions | Within six (6) months of the Board's approval, and on an annual basis thereafter until construction is completed, the permit holder shall provide a progress report of the WECS Project to the County Planning and Zoning Commission. The annual report/progress report shall include a written summary of Project's progress and include an appearance at a regularly scheduled County Planning and Zoning Commission meeting. | Ongoing, Construction Phase | Open |
| 28 | COA 16. Initial 6 Month Status update and annual P&Z status report and appearance | <i>Carbon County Road Use Agreement</i> | | |

|----|--|---|---|--|
| | | 4. Identify haul routes and courting roads to be used | The Company is hereby authorized to operate and move its commercial vehicles on all such Haul Routes and Roads, so long as such use is in accordance with this Agreement. The Haul Routes and County Roads utilized for project must be identified and approved in writing by the Carbon County Superintendent of Road and Bridge prior to any construction. Attached hereto as Exhibit A is a list of the restrictions on the Company's use of the Haul Route Roads. The Company shall use commercially reasonable efforts to comply with the restrictions listed on Exhibit A. It is specifically understood and agreed that personal vehicles and other light-duty vehicles will not be bound by the restrictions of Exhibit A | Closed, on February 14, 2019 PacificCorp notified Carbon County of its planned haul routes |
| 31 | | 6.a-b. Post security of \$50,000 per mile | a) The County may require that the Company post security during construction for repairs that are required by paragraph 9(c) below, in an amount to be specified by the County. b) If the County requires that the Company post security, the Company shall not haul goods, equipment or materials on the Roads forming the Haul Route until: i. It has delivered to the County the security required (in the form of surety bond in the minimum amount of \$50,000.00 (Fifty Thousand dollars per mile of affected Carbon County Roads); and ii. A Pre-Inspection pursuant to 7.1 has been completed. | Closed, PacificCorp provided bonding on March 27, 2019 to Carbon County |
| 32 | | 7.1 Pre Construction Inspection (15 days before construction) | The Company and the County shall agree as to the condition of the Haul Route Roads both within fifteen (15) days prior to commencement of construction of the Wind power Facilities and within fifteen (15) days following completion of construction of the Wind power Facilities. Video recordings and photographs of the current conditions of the Haul Route Roads will be undertaken by the Company (or a third party hired by the Company), at the Company's expense and provided to the County for its review and retention (i) prior to the start of any construction activities by the Company, and (ii) following the Company's completion of construction of the Windpower Facilities. The County shall have the right, if so desired, (i) to observe these recordings/photographs as they are being taken and (ii) to require the Company to undertake certain types of recordings and photographs or reasonable additional inspections if the County reasonably believes the recordings/photographs are inadequate representations of the impacted roads current conditions. | Closed, Completed on April 15 |
| 33 | | 7.1 Post Construction Inspection (15 after construction) | The Company and the County shall agree as to the condition of the Haul Route Roads both within fifteen (15) days prior to commencement of construction of the Wind power Facilities and within fifteen (15) days following completion of construction of the Wind power Facilities. Video recordings and photographs of the current conditions of the Haul Route Roads will be undertaken by the Company (or a third party hired by the Company), at the Company's expense and provided to the County for its review and retention (i) prior to the start of any construction activities by the Company, and (ii) following the Company's completion of construction of the Windpower Facilities. The County shall have the right, if so desired, (i) to observe these recordings/photographs as they are being taken and (ii) to require the Company to undertake certain types of recordings and photographs or reasonable additional inspections if the County reasonably believes the recordings/photographs are inadequate representations of the impacted roads current conditions. | Ongoing, post construction survey to be conducted |
| 34 | | 11 Assignment | Except as otherwise provided herein, this Agreement shall not be assigned by either party hereto without the prior written consent of the other party, which consent shall not unreasonably be withheld. | Closed , Assignment approved on March 18, 2019 by Carbon County |
