AVISTA CORP. RESPONSE TO REQUEST FOR INFORMATION

TYPE:	Data Request	DEPT:	Regulatory Affairs
REQUEST NO.:	PC - 025	TELEPHONE:	(509) 495-4324

REQUEST:

Regarding Adjustment 3.04, Executive Labor, electric and gas in Exhibits EMA-2 and EMA-3, respectively, please identify the amounts included in this adjustment for incentive compensation and awards and other bonuses (i.e., all compensation other than base salaries), and identify where in the workpapers these amounts can be found.

RESPONSE:

No incentive compensation is included in Adjustment 3.04 Executive Labor.

The Company's Adjustment 2.13 Incentives restates the test year incentive compensation to reflect a sixyear average incentive compensation consistent with Staff's methodology approved by the Commission in Order No. UE-170485 and UG-170486. Please see Andrews testimony, EMA-1T, pages 39-40 for additional information.

The adjustment related to the Executive Short Term Incentive Compensation is a reduction in expense of \$304,147 on a system basis (Washington electric \$145,585, Washington natural gas \$42,374). Please see the electronic workpapers for Adjustment 2.13, workbook (WA2019) Incentive Adjustment for the calculation.
