NOTICE OF PROCEDURAL SCHEDULE REVISION

RE: *In the Matter of the Petition of Qwest Corporation for Commission Approval of Stipulation Regarding Certain Performance Indicator Definitions and Qwest Performance Assurance Plan Provisions, Docket UT-073034*

TO ALL PARTIES:

On February 15, 2008, the Washington Utilities and Transportation Commission (Commission) served a Notice of Revised Procedural Schedule, postponing the deadlines for the submission of initial and responsive comments and legal arguments originally prescribed in Order 05.

On March 20, 2008, Qwest requested a seven day extension of the deadline to file initial comments from March 26, 2008, to April 2, 2008, stating that all parties had been informed and would make no objection. Qwest states the extension is needed to allow time to finalize a partial settlement agreement that the parties hope to file contemporaneously with the opening comments.

Qwest's request is granted. The request complies with the requirements in WAC 480-07-385 for such requests, and will not prejudice the parties or the Commission. The Commission revises the procedural schedule in this six-month review docket as follows:
