5 On May 13, 2003, Commission Staff filed comments on Advice No. 3397T. Staff stated that it had reviewed the supporting cost calculations and additional information supplied by Qwest and that the compliance filing embodied in Advice No. 3397T is substantially in compliance with the Commission's Thirty-Second, Thirty-Eighth, Fortieth and Forty-Ninth Supplemental Orders. Staff therefore recommends that the tariff revisions should be approved as filed for effect on May 23, 2003.
