NOTICE OF STATUS CONFERENCE

RE: *In the Matter of Determining the Proper Carrier Classification of Glacier Recycle, LLC; Hungry Buzzard Recovery, LLC; and T&T Recovery, Inc., Docket TG-072226*

TO ALL PARTIES:

On September 10, 2009, the Washington Utilities and Transportation Commission (Commission) issued a Notice of Requirement to File Final Status Report Prior to Issuance of New Procedural Schedule. The Commission required all parties to file reports on or before December 24, 2009, advising of any meaningful progress toward resolving this docket. All parties complied.

Commission Staff notes that the solid waste rulemaking in Docket TG-080591 may yet assist with resolution of the remaining matters in this proceeding. Given a January 8, 2010, deadline for submission of comments on the current version of the draft rule, Commission Staff asks that the Commission convene a status conference in this case no earlier than two weeks thereafter. Respondents concur with Staff's recommendation, as do the Intervenors.

THE COMMISSION GIVES NOTICE THAT it will conduct a status conference in this proceeding in Olympia on Wednesday, January 27, 2010, at 1:00 p.m., in Room 108 of the Commission's headquarters, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. Parties who find it more convenient to attend telephonically may participate via the Commission's teleconference bridge line at **(360) 664-3846**.

Thank you for your ongoing attention to this important matter,
