MOTION TO FILE REVISED  
TESTIMONY

1           The Staff of the Washington Utilities and Transportation Commission (Staff) respectfully requests authority to file revised versions of testimony filed with the Washington Utilities and Transportation Commission (Commission) on August 8, 2024. The revisions correct how certain adjustments made by Staff to Puget Sound Energy’s electric and gas revenue requirement are reflected in the testimony and exhibits of Danny Kermode. The revisions impact Exhibits DPK-1T, DPK-3, DPK-4, DPK-5, DPK-6, DPK-7, and DPK-8.

2           Staff identified the necessary edits as quickly as possible and moved swiftly to correct the inadvertent errors. No party will be unduly prejudiced by Staff’s request. The original testimony was filed on August 6, 2024. The revisions are filed approximately five weeks before rebuttal and cross answering testimony is due and approximately three months

before the evidentiary hearing in this matter. The revised testimony and exhibits have been submitted along with this motion.

DATED this 14th day of August 2024.

Respectfully submitted,

ROBERT W. FERGUSON  
Attorney General
