Jobin,

No apology necessary. You and the RPOA board members have done an excellent job of representing your community. I completely understand and appreciate your concerns and your desire to have issues resolved before we move forward.

I have great respect for you and the other board members in both organizations represented and look forward to working with all you in the future and showing you that Washington Water Service Company is truly a company dedicated to providing excellent customer service.

Dear Mike,

I want to apologize for naming you in my comments at the Hearing on Wednesday. In retrospect, it was unkind and unnecessary to make the point. I sincerely regret any discomfort it may have caused you.

9/17/2007

all the best to you,
