August 14, 2013

**NOTICE OF OPEN MEETING
(To be Held on October 10, 2013)**

Re: Puget Sound Energy, Inc.
2013 Integrated Resource Plan, Dockets UE-120767 and UG-120768

TO ALL INTERESTED PERSONS:

The Washington Utilities and Transportation Commission (Commission) will review Puget Sound Energy, Inc.'s (PSE) integrated resource plan for electric and natural gas service at an open public meeting on **October 10, 2013**. An "integrated resource plan" (IRP or Plan) describes the mix of generation and supply resources and efficiency improvements that PSE has determined will meet its customers' current and future energy demands at the lowest cost to the utility and its ratepayers.

Following Commission consideration of open meeting agenda items other than the PSE IRP, PSE representatives will present the Plan to the Commission no earlier than 10:00 a.m. and will respond to questions from the Commissioners. The Commission then will hear comments from individuals who participated in the IRP's development by attending meetings of the IRP advisory group. The Commission will take a lunch break at approximately 12:00 p.m., and will return at 1:30 p.m. to finish its consideration of PSE's IRP. In its afternoon session, the Commission will hear comments from individuals who did not participate in the IRP advisory group. The meeting will be held at the Commission's headquarters, Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.

A copy of the IRP is on file in the library at the Commission's offices in Olympia, and on PSE's website at <http://pse.com/aboutpse/EnergySupply/Pages/Resource-Planning.aspx>. Requests for copies of the Plan should be directed to PSE.

The IRP is a product of PSE filed under requirements in WAC 480-100-238 for electric planning and WAC 480-90-238 for natural gas planning. PSE's contact for the plan is Phillip Popoff, by email at phillip.popoff@pse.com or by phone at (425) 462-3229. Questions for Commission staff may be directed to Juliana Williams by e-mail at jwilliam@utc.wa.gov or by calling (360) 664-1311. When inquiring about the subject of this Notice, please refer to Dockets UE-120767 and UG-120768.
