Seattle Steam Company ("Seattle Steam") hereby moves to intervene in the above-captioned proceeding pursuant to WAC 480-09-430. In support of its petition, Seattle Steam states as follows:

1. Seattle Steam purchases a substantial amount of natural gas from Washington Natural Gas Company under various tariff rates. The proposed changes to the tariff rates in this general rate case substantially impact Seattle Steam's business.

2. At this time, Seattle Steam does not seek to modify or expand the issues before the Commission in this proceeding. Seattle Steam is not represented by any other party in this proceeding and intervention is necessary in order to adequately protect Seattle Steam's interests.
