Subject: RATE INCREASES PP&L

FOR MANY YEARS PP&L HAS REQUESTED RATE INCREASES OF 5-TO 20%. THIS IS LUDICROUS. WE ARE ON SOC.SEC. FIXED INCOME. THE MOST WE GET ON SOC SEC IS 1-3% INCREASE (NO INCREASE THIS YEAR). HOW DOES PP&L EXPECT PEOPLE TO PAY THAT MUCH INCREASE AND STILL SURVIVE. HOW DO THE REALLY POOR PEOPLE SURVIVE?? THE AVERAGE INCREASE IN PP&L IS ABOUT 5-7%. SO TELL ME WHERE I AM WRONG. HOW MUCH DO THE PP&L BOARD OF DIRECTORS MAKE?? HOW MUCH DOES UPPER MANAGEMENT MAKE?? ""MY CASE RESTS!!""

For years the insurance companies, oil companies and power companies have been raping the American public with only one thing in mind. the MIGHTY\$\$\$\$\$\$\$\$

Subject: AG urges \$4.5M rate reduction for PacifiCorp, rejection of \$20M residential rate hike

Message: I'm perplexed. Apparently I don't understand the function or objectives of the WUTC. Why should the AG need to override the utility commission?
If the AG can research & determine just cause for a rate reduction, perhaps the entire WUTC process is suspect? Is WUTC under investigation for malfeasance?

Sincerely,
Charles Mann

Docket Number UE-152253

To whom it may concern;

I am writing this to say that I oppose the Proposed rate increase for Pacific Power & Light.

We are on a very limited income and both my husband and I are disabled .

We have to rely on various food banks to make ends meet now.

This would be an enormous hardship on us.

Thank you for understanding my position in this matter.

Sincerely;

Ramona Watson

Know raise ^{System} _{order}

How long are we the people going to be robbed by Pacific Power. Every year they ask for a raise and usually they they get it over a percentage of it, when does it stop. If it was a car like or etc, you would have broke it up & cannot by my power form another Company, why not. The tax payers of WA, Ore, paid for the Dams etc, . Even brochure they say we have the cheapest rates, we should have the cheap rates, Pacific wants up to pay for everything Dam, salaries etc, Plus they want up to what California pays, they are working to do that.

Pacific power is a ^{monopoly} ~~monopoly~~ ^{monopoly} ~~monopoly
know way around it and the attorney General Lets' then get away with it.~~

NO, NO
to ANY
raise for 2016
