Re: *WUTC v. Gold Beach Water Co.*
Tariff Suspension
Docket No. UW-060352

Dear Ms. Washburn:

The parties in the above-referenced docket (Staff and Gold Beach Water Co.) respectfully request that the prehearing conference scheduled for June 9, 2006 at 9:30 a.m. be postponed. Following discussions between Staff and the company, the company is presently filing revised tariff sheets with the Commission, reflecting agreed-upon adjustments. Staff intends to present the revised filing for Commission consideration, and recommend its approval by the Commission, at its open meeting on June 14, 2006.

Sincerely,

MICHAEL A. FASSIO
Assistant Attorney General
